“WIN-WIN” PLAN

FOR THE NEXT STAGE OF BELMONT MEDIA

Put Belmont Media **“WHERE THE PEOPLE ARE”**

- 225,000 library visitors/year and 2,200 students/day
- to better serve the community.

Bring a **DYNAMIC SERVICE TO LIBRARY PATRONS**
that the community embraces.

SUPPORT STUDENTS through classroom projects,
extra-curriculars, and career exploration.

Save money that **BUILDS FINANCIAL SECURITY**
for services the town relies upon.

MIGRATE TO MODERN TECHNOLOGY that is
more powerful, cheaper, and easy to use.
